GREETINGS FROM KASAAN

THIS LETTER CONCERNS THE BOROUGH ISSUE for PRINCE OF WALES ISLAND. I BELIEVE THE CURRENT TREND OF ECONOMICS ON THE ISLAND MAKES FOR VERY POOR TIMING TO BECOME A BOROUGH. THE ECONOMY HERE HAS BEEN REGRESSING SINCE THE NINETIES. THE TIMBER & FISHING JOBS ARE A SMALL FRACTION OF WHAT THEY WERE A FEW YEARS AGO. I SEE NOTHING IN THE NEAR FUTURE THAT WILL TURN THE ECONOMY AROUND. I AM NOT OPPOSED TO BOROUGH STATUS IN GENERAL BUT THE TIME IS NOT NOW. I WOULD LIKE TO TRACK THE ECONOMICS OF THE ISLAND AND WHEN THEY ARE ON THE UPSWING AND WILL BE FOR SOME TIME, THEN LETS TAKE ANOTHER LOOK AT THIS ISSUE - THANKS FOR YOUR TIME - BEST REGARDS
